

Duxford Air Shows

Platinum Pass Hospitality 2009

The Museum

The Imperial War Museum Duxford is the premier aviation museum in Europe. The six hangars of aviation exhibits tell the story of modern air power, including the Foster-built, award-winning American Air Museum, and the new £25million refit of our British and Commonwealth collection, AirSpace. The restoration and conservation of both museum exhibits and airworthy aircraft by private owners is one of the unique attractions of this famous and historic site. The world-class air shows are internationally renowned and attended. For over thirty years, the air shows at Duxford have thrilled audiences with aerial extravaganzas and unique aircraft.

Flying Legends Air Show

Saturday 11 and Sunday 12 July 2009

'Legends' is produced in partnership with The Fighter Collection and is one of the world's greatest air shows, drawing an international audience of aircraft lovers and aviation enthusiasts. The event showcases piston-engined aircraft from both the WW1 and WW11 era and culminates in the awesome finale Balbo, a mass formation flypast of up to 30 war birds.

Duxford Air Show

Saturday 5 and Sunday 6 September 2009

The Duxford Air Show boasts a wide ranging display of war-birds and classic British aircraft as well as the best of the RAF display teams, vintage jets, family favourites and exciting aerobatic displays, promising a fantastic day out and impressive display for our hospitality guests.
